

Extract from Bulletin and additional information for international participants

- Blue and yellow streamer set in the terrain is out of bounds area that is not drawn on the map.
- Black cross stands for a small shrine or an abandoned car in the forest.

Photo

:

- For avoiding misunderstand, some fences at the junctions of pass and road are not drawn on the map. In this case, you can pass the side of the fence easily.
- For attracting attention there is an area that purple stripes (out of bounds) are drawn on the cultivated land, But Initially cultivated lands are out of bounds. Don't go in any cultivated land.
- The red cross (+) indicates both the first aid and refreshment water.
- There is some road that a car passes. As there is no priority for the participants, be careful to cross the road.
- There's man made ditch that covered by undergrowth along the road. Watch out your step when you cross the road, especially after downslope.
