Note: ONLY WRE Classes(M/W21E):

*There will be a restriction on the entry for foreign athletes in this race. The organizer will check the IOF world ranking and inform you whether your entry will be accepted or not.

*Athletes must have an IOF ID. Visit IOF Eventor to obtain or search for your IOF ID and enter your IOF ID when you entry.

■ Embargoed Area

You can check the embargoed area at following URL.

https://www.google.com/maps/d/edit?mid=1ZALcZAq_oO_9K8XUrXotGVGpliDdiO4&usp=sharing

Orienteering within the area marked with purple on the map is prohibited except for the organizer's permission.

■ Terrain Information

➤ Overview

The terrain is located in the north-eastern part of Takahara Mountain at altitude 950~1,450m.

It consists of a ski resort Hunter Mountain Shiobara and the surrounding forests.

➤ Landform

The terrain is shaped by large ridges and valleys as well as a few complex features.

The south-east side of the terrain is higher in altitude and steeper, while the north-west side is lower and flatter. Deep valleys run across the terrain, making it difficult to cross.

➤ Vegetation

Runnability and visibility are fairly high. There are open-lands in parts of the terrain.

➤ Paths and other notable features

While there are forests roads and construction roads throughout the terrain, there are only a few footpaths. The spurs lack features, but deep valleys have many features such as rocks and stony grounds.

➤ Special notes and cautions

Existence of ticks have been confirmed in the terrain. Refer to the preferred attires and items listed in the next section.

■ Equipment

There are no regulations regarding clothing and shoes.

But the following items or clothing are recommended.

- Insect Repellant Spray Containing DEET
- Long Sleeves and Pants (since ticks are found in the terrain)
- Shoes with Metal Studs (since slopes are slippery)
- Whistle (to prepare for emergencies)
- Bear Bell (since bears are found in the terrain)

The use of GPS(GNSS) devices with on-screen displays of maps and distances is prohibited.

However, if the screen is taped or otherwise made in such a way that the map or distance display cannot be seen, the device may be carried.

■ Climate and Hazards

The following table shows historical records for the past 30 years for October 4-5 at the Oku-Nikko observatory near the site of this competition.

Average temperature(℃)	11.8
Maximum temperature(℃)	15.6
Minimum temperature(℃)	8.1
Precipitation days(in 60days)	34

■ Model Event

No model event will be held.
